Held at
K9 Connect
Training Hub
26/19 Cornhill Street
Ferntree Gully

With:
Natalya Dunderovich
&
Dr Kate Mornement

**WEDNESDAY
6TH AUGUST**

with Natalya Dundovich
& Dr Kate Mornement

Feline & Parrot Behaviour

A full day course to provide insight into cat and bird behaviour.

YOUR PRESENTERS

Natalya Dundovich has been running her business ND Animal Behaviour since 2016. Since then, Natalya has worked with a variety of different species. We are excited to have her on board to discuss common cat and bird behaviours and help you enrich your pets life!

Dr Kate Mornement is a board certified Applied Animal Behaviourist. Kate regularly consults on a variety of animal behaviour problems including cats and parrot behaviour.

THE SESSION

This full day course is full of information, demonstrations and panel discussions

topics include:

- Helping Parrots Thrive in Modern Captivity
- Case Studies
- Stress reduction for vet visits
- Introduction to cat behaviour

WHO SHOULD COME

This course is open to any pet owner and pet professional working in the industry.
